### EZ ADD Warranty

Queen Fuel Components, LLC (“QFC”) sells each EZ ADD unit (“Unit”) with the intent that it is free of defects in manufacture and workmanship at the time of sale. Accordingly, QFC warrants that each of its Units will be free of defects in materials and workmanship under normal use and service for a period of one year from the date of delivery to the purchaser. However, the obligation of QFC under this warranty shall be limited only to the requirement that it make good at QFC’s place of business any Unit which is returned to QFC within one year and five days from the date of delivery to the purchaser. Such return of the Unit to QFC must be made with transportation charges prepaid. QFC will then examine the Unit to determine if it is in fact defective. If the Unit is found to be defective, QFC will make good the Unit by, at its sole option, either repairing or replacing the Unit. Furthermore, this warranty shall immediately cease and terminate as to any Unit or parts thereof which are altered, or modified, without the prior express and written consent of QFC.

Please note that QFC’s warranty expressly excludes and does not cover the following:

1. Any damages resulting from the use of a Unit to administer fuel additives to any fuel, especially gasoline, other than diesel or biodiesel. NOTE: The Units are designed only for diesel and biodiesel additives.
2. The actual intended performance results of any additive used in a Unit. NOTE: The Units are designed only to mix the additives in proper amounts. QFC has no control over the actual intended performance benefits of any additive used with the Unit.
3. Any damages resulting from the improper installation of the Unit.
4. Any damages to the Unit resulting through misuse, negligence, accident, repair or alteration which, in the sole judgment of QFC, affects the Unit’s performance.

THE WARRANTY PROVIDED BY QFC AS REFERRED TO ABOVE SHALL BE THE SOLE AND EXCLUSIVE WARRANTY FOR THE EZ ADD UNITS. THERE SHALL BE NO OTHER WARRANTIES EXPRESS OR IMPLIED INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OR ANY OTHER OBLIGATION ON THE PART OF QFC WITH RESPECT TO UNITS COVERED BY THIS WARRANTY.

IN NO EVENT SHALL THE WARRANTIES OF QFC REQUIRE MORE FROM QFC THAN THE REPAIR OR REPLACEMENT OF A UNIT WHICH IS FOUND TO BE DEFECTIVE WITHIN THE EFFECTIVE PERIOD OF THE WARRANTY. QFC SHALL HAVE NO LIABILITY FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES.
